FLORIDA ATLANTIC UNIVERSITY
CSE DEPARTMENT
LOGIC DESIGN AND MICROPROCESSOR LAB

TA Grading Sheet

You should maintain records for all students you grade from all classes. Use a separate Grading Sheet for every different class. At the end of the semester, exchange Grading Sheets with other TAs so that each TA has complete records for his/her designated class(es). Compile all records for each class on a separate sheet and submit it to your designated Instructor.

Class Number	Class Instructor	TA Name	TA Signature	Page
